SUBJECT: IFB NO. **7004** – MERCED COUNTY DATA/VOICE CABLING

AMENDMENT NO. 1

IFB NO. 7004, issued on July 10, 2013, has the following changes:

1. **SECTION 1**, **TECHNICAL REQUIREMENTS, CERTIFICATION AND WARRANTY REQUIREMENTS**, is changed to include:

   - The general prevailing rate of wage shall apply to this contract in accordance with the latest wage scale determination as set forth by the Department of Labor, Section 1770 to 1781 inclusive and section 1818 and 1817 inclusive of the Labor Code of the State of California and local laws thereto applicable, the Board of Supervisors of Merced County, in the manner required by law, as ascertained, the general prevailing rate of wages and also the hourly rates for Saturday, Sunday, Holiday and overtime work, in the locality where this work is to be performed, for each craft, classification and type of workman or mechanic needed to perform the work of this project, as adopted by Resolution 79-83, and has published this wage scale in accordance with Section 1773 and 1773.2 of the said Labor Code, which scale will become a part of the contract. A copy of this wage scale may also be obtained from the office of the Director of Industrial relations, State of California, or http://www.dir.ca.gov/DLSR/PWD/mer.xls.

     It shall be mandatory upon the Vendor to whom the contract is awarded, and upon all subcontractor under him, to ascertain and pay not less than the latest general prevailing hourly rates for Saturday, Sunday, Holidays, and overtime work for each workman or mechanic employed in the execution of the work of this project as per determination made by the Director of Industrial Relations, California Labor Code, Part 7, Chapter 1, Article 2, Sections 1770, 1773, and 1773.1.

     In the event of discrepancy between the local prevailing wage rates and those determined by the United States Department of Labor the Contractor will pay the higher rate.

   - Installer must have a current, valid State of California C-7 Low Voltage Contractor's License.
