To: **Business Owners Storing Hazardous Materials/Waste**
Subject: **Annual Hazardous Material Business Plan Certification and Review**

Each "Hazardous Material Business Plan - HMBP" submitted by businesses which handle or store hazardous materials/waste are designed to assist emergency planning and response agencies in hazardous materials accidents. As a result, **it is extremely important that businesses maintain an accurate "HMBP" on file with the local Certified Unified Program Agency (CUPA)**. The CUPA in Merced County is the Division of Environmental Health.

Any changes of the following items are required to be reported within 30 days to this department:

1. **Business address**
2. **Business ownership**
3. **Business name**
4. **Emergency contact information**
5. **Any twofold increase in the quantity of any hazardous material/waste that was listed on the HMBP.**
6. **Any new hazardous material/waste in an amount greater than 55 gallons of a liquid, 500 lbs. of a solid, or 200 cubic feet of a compressed gas, unless the federal reporting quantities are lower.**
7. **Deletion of any hazardous material/waste from your inventory.**

Changes can be submitted electronically at http://cupa.co.merced.ca.us

Annual review and certification of the current HMBP is required for all businesses even if no changes have occurred. If the current HMBP on file with this Department is accurate and no changes have occurred, complete and return the enclosed "**Certificate of Review**." If there are changes to your HMBP, please contact this office to acquire the proper paperwork.

Your cooperation is appreciated. If you have any questions, please contact Vickie Hayer at (209)381-1083, Kerri Gibbons at (209)381-1094 or Chris Soehnen at (209)381-1093.
