SECTION 1

INTENT OF THE REQUEST FOR PROPOSAL

1.1 INTRODUCTION

As a component of the Public Safety Realignment Act of 2011, the Merced County Probation Department aims to provide to its clients effective, accessible, and culturally competent services in order to enhance public safety through rehabilitation, accountability and, ultimately, reduced recidivism. The Warrant Reduction Advocacy Program (WRAP) will support this effort by decreasing the frequency of violations of Court orders, which will decrease the frequency of arrest warrants for failure to appear before the Court and reduce reliance on the County Jail.

It is the intent of this Request for Proposal (RFP) to secure the services of a qualified contractor to serve as a community liaison(s) to adults who are under the jurisdiction of the Probation Department. Specifically, the Probation Department is seeking proposers, with the best interests of clients in mind, to reach out to clients who are at risk of re-incarceration by encouraging reconnections with assigned probation officers and, when applicable, encouraging their appearances before the Court. The contractor is expected to develop cordial, yet professional relationships with clients so as to reduce apprehension to reconnect with the probation officer and to reduce apprehension about appearing before the Court when sanctions for non-compliance are justified. The liaison(s) will work closely with probation personnel to serve as an unbiased connection to clients to help ensure their successful compliance to avoid additional jail time.

1.2 BACKGROUND INFORMATION

The Merced County Sheriff's Department reports that approximately 80% of their jail population consists of pre-trial inmates. Violations of Court order reports filed by the Merced County Probation Department in 2012 resulted in 1,406 warrants due to clients failing to appear before the Court. Once apprehended, the clients are incarcerated in the County Jail and are on "pre-trial" status until the violation is adjudicated by the Merced County Superior Court. The matters are heard by the Court within 48 "business" hours, often resulting in four days of pre-trial incarceration following weekends and holidays. When clients appear before the Court, they may contest the alleged violation. In such cases, the matter is typically continued for two weeks, thus extending the client's "pre-trial" status well beyond the initial 48 hours. Once fully adjudicated, and depending on the nature of the violations, jail sentences typically range from 30-180 days. By reducing the frequency of violations of probation, clients are more amenable to rehabilitation, available for services, and less likely to be appointed Court appearances that are often disregarded out of fear of incarceration. Additionally,

fewer violations of probation will reduce reliance on jail beds for both the pre-trial and sentenced populations.

WRAP will be modeled after the program of the same name being operated in Santa Cruz County, where officials report a 67% decrease in warrants since inception. Additionally, the number of pre-trial inmates in the Santa Cruz County Jail has decreased from 80% to 60% since the implementation of WRAP and another pre-trial program.

Funding for this program is \$75,000.00, and is contingent upon each fiscal years appropriation.

1.3 CONTRACT TERM

The Contract term shall be for a period of six (6) months. The start date will tentatively commence January 1, 2014, with a scheduled completion date of June 30, 2015, contingent on appropriate and sufficient funding. Merced County reserves the right to extend contract(s) for an additional four (4) years, at one (1) year term intervals.

A Sample Contract (Exhibit 1) is included as an attachment to this proposal. This agreement will become part of the final agreement with successful Proposer awarded the proposal. Any exceptions to the terms and conditions as stated herein and in the Sample Contract must be clearly identified in the Proposers submission. The County will execute the Agreement upon final selection of successful Proposer with the approval of the County's Board of Supervisors.

1.4. PRE-PROPOSAL CONFERENCE

A Pre-Proposal conference will be held to allow County staff to discuss all relevant issues associated with the Request for Proposal and to permit Proposers an opportunity to ask questions. While attendance is not required, all potential Proposers are strongly encouraged to attend. Each firm will be limited to not more than two (2) representatives in attendance.

Please submit, in writing, any questions about the Request for Proposal that you would like answered at the pre-proposal conference to the Administrative Services – Purchasing Division as referenced above or fax your questions to (209) 725-3535, no later than three (3) working days before the conference. This will allow for a more thorough response.

The Pre-Proposal conference may be taped and answers will be posted to the County of Merced Official Website (www.co.merced.ca.us) following the conference. Please contact the Merced County Department of Administrative Services-Purchasing at (209) 385-7331 for confirmation of your attendance. **Oral answers at the conference will not be binding on the County.**

Award will be made to the Provider whose proposal demonstrates to be the most qualified, responsive and advantageous to the County. The County shall not be obligated to accept the lowest cost proposal, but will make an award in the best interests of the County after all factors have been evaluated.

THE COUNTY RESERVES THE RIGHT TO REJECT ANY OR ALL PROPOSALS OR ANY PART THEREOF, TO WAIVE ANY INFORMALITIES IN THE PROPOSAL AND MINOR IRREGULARITIES, TECHNICAL DEFECT OR CLERICAL ERRORS, TO MAKE AN AWARD ON THE BASIS OF SUITABILITY, QUALITY OF SERVICE(S) TO BE SUPPLIED, THEIR CONFORMITY WITH THE SPECIFICATIONS AND FOR THE PURPOSES FOR WHICH THEY ARE REQUIRED, AND NOT BE CONFINED TO COST ALONE.

False, incomplete, or non-responsive statements in connection with the proposal may be deemed sufficient cause for rejection. The County shall be the sole judge in making such determination.

The County reserves the right to cancel or discontinue with the proposal process and reject any or all proposals in the event it determines that there is no longer a requirement for the furnishing of such items, materials, equipment and/or services, funding is no longer available for this proposal, or it is otherwise in the County's best interest to cancel the proposal process.

The Committee may be composed of County staff and other parties that may have expertise or experience in operation of a Warrant Reduction Advocacy Program. The Committee will select a contractor in accordance with the evaluation criteria set forth in this RFP. The evaluation of the proposals shall be within the sole judgment and discretion of the Committee.

The Committee will evaluate each proposal meeting the qualification requirements set forth in this RFP. Proposers should bear in mind that any proposal that is unrealistic in terms of the technical or schedule commitments, or unrealistically high or low in cost, will be deemed reflective of an inherent lack of technical competence or indicative of a failure to comprehend the complexity and risk of the County's requirements as set forth in this RFP.

4.3 EVALUATION CRITERIA

The basic information that each section should contain is specified below, these specifications should be considered as minimum requirements. Much of the material needed to present a comprehensive proposal can be placed into one (1) of the sections listed. However, other criteria may be added to further support the evaluation process whenever such additional criteria are deemed appropriate in considering the nature of the goods and/or services being solicited.

Each of the Evaluation Criteria below will be used in ranking and determining the quality of Proposers' proposals. The evaluation process may include a two-stage approach including an initial evaluation of the written proposal and preliminary scoring to develop a short list of Proposers that will continue to the final stage of oral presentation and interview and reference checks. Scores may be updated after oral presentations have taken place.

The evaluation process is as follows:

1. After the period has closed for receipt of proposals, each proposal is examined by County staff to determine compliance with the RFP format requirements and grounds for rejection. This is not a public review. The pricing is not revealed at this point.
2. Proposals cannot be changed by the Proposer after the time and date designated for receipt.
3. Proposals that meet the format requirements are submitted to the Evaluation Committee, which evaluates each proposal and assigns points.
4. Interviews may be requested for clarification of proposals. The Committee may conduct interviews and then re-score the proposals.
5. All proposers are notified of the results.
6. Contract award is heard and formally approved at a Board of Supervisors meeting.

No cancellation provisions in the insurance policy shall be construed in derogation of the continuing duty of Contractor to furnish insurance during the term of this Agreement.

13. INDEMNIFICATION

Contractor has the contracted duty (hereinafter "the duty") to indemnify, defend and hold harmless, COUNTY, its Board of Supervisors, officers, employees, agents and assigns from and against any and all claims, demands, liability, judgments, awards, interest, attorney's fees, costs, experts' fees and expenses of whatsoever kind or nature, at any time arising out of or in any way connected with the performance of this Agreement, whether in tort, contract or otherwise. This duty shall include, but not be limited to, claims for bodily injury, property damage, personal injury, and contractual damages or otherwise alleged to be caused to any person or entity including, but not limited to employees, agents and officers of Contractor.

Contractor's liability for indemnity under this Agreement shall apply, regardless of fault, to any acts or omissions, willful misconduct or negligent conduct of any kind, on the part of the Contractor, its agents, sub-Contractors and employees. The duty shall extend to

any allegation or claim of liability except in circumstances found by a jury or judge to be the sole and legal result of the willful misconduct of County. This duty shall arise at the first claim or allegation of liability against County. Contractor will on request and at its expense defend any action suit or proceeding arising hereunder. This clause for indemnification shall be interpreted to the broadest extent permitted by law.

14. PATENT INDEMNITY

The awarded Bidder shall hold the County, its officers, agents, and employees, harmless from liability of any nature in kind, including costs and expenses, from infringement or use of any copyrighted or un-copyrighted composition, secret process, patented or unpatented invention, article, or appliance furnished or used in connection with this proposal. The Bidder may also be required to furnish a bond or other indemnification to the County against any and all loss, damage, costs, expenses, claims, and liability for patent or copyright infringement.

15. INDEPENDENT CONTRACTOR

It is mutually agreed and understood that Contractor, its sub-Contractors and employees, if any, shall have no claim under this Agreement or otherwise against the County for vacation pay, sick leave, retirement or social security benefits, occupational or non-occupational injury, disability or illness, or loss of life or income, by whatever cause.

Contractor shall insure that all its personnel and employees, sub-Contractors and their employees, and any other individuals used to perform the contracted services are aware and expressly agree that County is not responsible for any benefits, coverage or payment for their efforts.

16. RECORDS, INFORMATION AND REPORTS

Contractor shall maintain full and accurate records with respect to all matters covered under this Agreement. To the extent permitted by law, County shall have free access at

all proper times or until the expiration of four (4) years after the furnishing of services to such records, and the right to examine and audit the same and to make transcripts there from, and to inspect all data, documents, proceedings, and activities pertaining to this Agreement.

To the extent permitted by law, Contractor shall furnish County such periodic reports as County may request pertaining to the work or services undertaken pursuant to this Agreement. The costs and obligations incurred or to be incurred in connection therewith shall be borne by the Contractor.

Contractor may retain copies thereof for its files and internal use.

Any publication of information directly derived from work performed or data obtained in connection with services rendered under this Agreement must be first approved by County.

18. QUALITY OF SERVICE

Contractor shall perform its services with care, skill, and diligence, in accordance with the applicable professional standards currently recognized by such profession, and shall be responsible for the professional quality, technical accuracy, completeness, and coordination of all reports, designs, drawings, plans, information, specifications, and/or other items and services furnished under this Agreement.

Contractor shall, without additional compensation, correct or revise any errors or deficiencies immediately upon discovery in its reports, drawings, specifications, designs, and/or other related items or services.

19. PERSONAL SATISFACTION AS A CONDITION PRECEDENT

The obligations of County as provided in this Agreement are expressly conditioned upon Contractor's compliance with the provisions of this Agreement to the personal satisfaction of the County. County shall determine compliance in good faith as a reasonable person would under the circumstances.

The County is not an agent, partner, or representative of the Public Agency, and is not obligated or liable for any financial responsibility in connection with purchase orders issued by any Public Agency. The Public Agency shall accept sole responsibility for placing orders or payments to the successful Bidder.

21. ENTIRE AGREEMENT

This Agreement and any additional or supplementary document or documents incorporated herein by specific reference contain all the terms and conditions agreed upon by the parties hereto, and no other contracts, oral or otherwise, regarding the subject matter of this Agreement or any part thereof shall have any validity or bind any of the parties hereto.

Contractor shall possess and maintain all necessary licenses, permits, certificates and credentials required by the laws of the United States, the State of California, County of Merced and all other appropriate governmental agencies, including any certification and credentials required by County. Failure to maintain the licenses, permits, certificates, and credentials shall be deemed a breach of this Agreement and constitutes grounds for the termination of this Agreement by COUNTY.

24. LIMITED AFFECT OF WAIVER OR PAYMENT

In no event shall the making, by County, of any payment to Contractor constitute, or be construed as, a waiver by County of any breach of covenant, or any default which may then exist, on the part of Contractor. The making of any such payment by County while any such breach or default shall exist, shall not be construed as acceptance of substandard or careless work or as relieving Contractor from its full responsibility under this Agreement.

No waiver by either party of any default, breach or condition precedent shall be valid unless made in writing and signed by the parties hereto. No oral waiver of any default, breach or condition precedent shall be binding on any of the parties hereto. Waiver by

either party of any default, breach or condition precedent shall not be construed as a waiver of any other default, breach or condition precedent, or any other right hereunder.

All parties agree that this Agreement and all documents issued or executed pursuant to this Agreement as well as the rights and obligations of the parties hereunder are subject to and governed by the laws of the State of California in all respects as to interpretation, construction, operation, effect and performance. No interpretation of any provision of this Agreement shall be binding upon County unless agreed in writing by County and counsel for County.

Notwithstanding any other provision of this Agreement, any disputes concerning any question of fact or law arising under this Agreement or any litigation or arbitration arising out of this Agreement, shall be tried in Merced County, unless the parties agree otherwise or are otherwise required by law.

28. BREACH OF CONTRACT

Upon breach of this Agreement by Contractor, County shall have all remedies available to it both in equity and/or at law.

29. REMEDY FOR BREACH AND RIGHT TO CURE

Notwithstanding anything else in this Agreement to the contrary, if Contractor fails to perform any obligation of this Agreement, the County may itself perform, or cause the

performance of, such agreement or obligation. In that event, Contractor will, on demand, fully reimburse County for all such expenditures. Alternatively, County, at its option, may deduct from any funds owed to Contractor the amount necessary to cover any expenditures under this provision. This is in addition to any other remedies available to the County by law or as otherwise stated in this Agreement.

30. SUCCESSORS IN INTEREST

All the terms, covenant, and conditions of this Agreement shall be binding and in full force and effect upon any successors in interest and assigns of the parties hereto. This paragraph shall not be deemed as a waiver of any of the conditions against assignment set forth herein.

31. CONFLICT OF INTEREST

Contractor shall ensure that no County officer or employee in a position that enables them to influence this Agreement will have any direct or indirect financial interest resulting from this Agreement. Contractor shall ensure that no County employee shall have any relationship to the Contractor or officer or employee of the Contractor, nor that any such person will be employed by Contractor in the performance of this Agreement without immediate divulgence of such fact to the County.

32. NONDISCRIMINATION IN EMPLOYMENT, SERVICES, BENEFITS AND FACILITIES

Contractor and any sub-Contractors shall comply with all applicable federal, state, and local Anti-discrimination laws, regulations, and ordinances and shall not unlawfully discriminate, deny family care leave, harass, or allow harassment against any employee, applicant for employment, employee or agent of County, or recipient of services contemplated to be provided or provided under this Agreement, because of race, ancestry, marital status, color, religious creed, political belief, national origin, ethnic group identification, sex, sexual orientation, age (over 40), medical condition (including HIV and AIDS), or physical or mental disability. Contractor shall ensure that the evaluation and treatment of its employees and applicants for employment, the treatment of County employees and agents, and recipients of services are free from such discrimination and harassment.

The captions of each paragraph in this Agreement are inserted as a matter of convenience and reference only, and in no way define, limit, or describe the scope or intent of this Agreement or in any way affect it.

34. SEVERABILITY

If a court of competent jurisdiction holds any provision of this Agreement to be illegal, unenforceable or invalid, in whole or in part, for any reason, the validity and enforceability of the remaining provisions, or portion of them, will not be affected. Compensation due to Contractor from the County may, however, be adjusted in proportion to the benefit received despite the removal of the effected provision.

35. DUPLICATE COUNTERPARTS

This Agreement may be executed in duplicate counterparts, each of which shall be deemed a duplicate original. The Agreement shall be deemed executed when it has been signed by both parties.

36. DEATH AND DISABILITY *when applicable***

It is understood and agreed that if this Agreement is entered into for the unique personal services of Contractor, in the event of his/her death, this Agreement is forthwith terminated. In the event Contractor is disabled permanently or for an extended period, County may, at its option, terminate this Agreement forthwith. Permanent or extended disability means that Contractor is unable to perform the services of this Agreement for such a period of time that it would cause a detriment to the County as determined by the reasonable judgment of the County.
