4. Appointment to Employment At-Will positions may be exempt from the recruitment and selection requirements and procedures as outlined in the Human Resources Recruitment and Selection Resolution No. 2006-121. However, new appointments to an Employment At-Will position will require a certification by Human Resources that the person selected does in fact meet the minimum qualifications for the position. If a recruitment flyer is used to attract applicants for these type of positions, recruitment flyers will announce prominently the Employment At-Will employment status. To assure that an individual who accepts employment in an Employment At-Will position is fully and officially informed regarding his/her status and of the implications of serving at the pleasure of the appointing authority, an acknowledgment of the position's Employment At-Will status will be signed by the new appointee, when the offer is made and prior to the first day of work. Those employees unable to meet the medical standards required or recommended for the particular position applied for may be subject to termination of employment.

4. Except for employees in Employment At-Will Status and Law Enforcement Applicants/employees may appeal any decision made under the criminal history information review process by filing, in writing, with the Director of Human Resources a request for review of the disqualifying information. Any such appeal must be filed within five (5) working days of the notice of disqualification. The decision of the Director of Human Resources on any appeal shall be final.
13. All information related to the criminal information review process shall be kept in a special confidential file separate from all other employee personnel files. This special file shall be located in the office of the Director of Human Resources and shall remain locked at all times. No specific information on the criminal history information review will be shared with the hiring department or any other County staff, except as may be necessary under Federal, State or County rules and regulations to initiate any disqualification or termination action.

The department head shall post a vacation schedule in the appropriate work unit or on a departmental bulletin board within thirty (30) days after completion of the selection period, or no later than March 1st.
- c. Sheriff's employees represented by Unit 10 shall designate their preference for vacation leave on a form provided by the Department, prior to each shift rotation. Any approved, scheduled vacation leave for each shift rotation shall be taken unless Human Resources Rules and Regulations, Section 2,E,3,d applies.

4. After the vacation schedule is taken down and approved, further requests for vacation during the shift will be approved or denied on a first come, first approved basis.
 - d. The department head shall have the right to change said vacation requests if such requests conflict with the efficient functioning of the department and the County Service. It shall be the obligation of the department head or his/her designated representative to notify the affected employee as soon as possible after said conflict becomes known to the department head. No employee shall lose any vacation time due to such action.
 - e. Notwithstanding the above, employees may request to use vacation time whenever the need for such becomes known. The department head or his/her designated representative may approve or deny such requests.
4. In any use of vacation, the minimum charge to the employee's vacation account shall be one-quarter (1/4) hour, while any additional actual absence over one-quarter (1/4) hour shall be charged to the nearest quarter (1/4) hour increment.
5. No person shall be permitted to work for compensation for the County in any capacity during the time of his paid vacation from the County Service.
6. An employee who becomes ill or injured during their vacation leave will have the opportunity of using sick leave for the period of illness or injury provided a physician's statement is furnished as proof of such illness or injury, to the department head upon return to work.
7. If a designated holiday occurs during the work week in which vacation leave is taken by the employee, the holiday shall not be charged to vacation leave.

F. SICK LEAVE (For Units 2, 3, 12 & 30 refer to current MOU)

1. Except elective officials, each full time employee of the County of Merced shall earn .0462 hours of sick leave with pay for each paid regularly scheduled working hour to a maximum of:

80 Working hours for 40 hour work week;

Sick leave earned shall be added to the employee's sick leave accumulation account on the completion of the pay period. No credit to be applied during the progress of a pay period.

2. Sick leave earned may be applied to absence caused by illness or injury of an employee. Sick leave may be used for medical and dental office calls when absent during working hours for this purpose. Such leave earned may also be used by an employee when an illness or injury of an immediate family member, as defined in 2, a, is

SECTION 2. TERMS OF EMPLOYMENT

serious enough to require the employee to be absent from duty to personally care for such a person.

a. "Immediate" family refers to an employee's current relative which is defined as follows: Husband, wife, registered domestic partner, child (biological, foster or adopted child, stepchild by current marriage, legal ward, child of a domestic partner, or a child of a person standing in loco parentis), parent (biological, foster or adoptive parent, a step-parent, or a legal guardian), sister, brother, father-in-law, mother-in-law, grandparents, son-in-law, daughter-in-law, and grandchildren, permanently residing in the employee's household, with the following exceptions:

(1) For the purpose of this section, a child does not have to permanently reside in the household.

(2) For those regular County employees represented in Certified bargaining units 7, 11, and Unrepresented Management, a physician's written statement certifying the need for home care of a parent or parent-in-law and stating the number of days such home care is required, shall be sufficient to allow usage of family sick leave although the parent or parent-in-law does not permanently reside in the employee's household.

In addition to the reasons listed above, the Paid Sick Leave Law (AB1522) also entitles employees to the accrual of up to 3 paid sick days (24 hours) in a 12 month period for an employee who is a victim of domestic violence, sexual assault or stalking. The paid sick leave (3 days/24 hours) will be issued annually according to the employee's anniversary date. Under AB1522 the qualifying family member does not have to reside in the employee's household.

b. In instances involving the use of a fraction of a day's sick leave, the minimum charge to the employee's sick leave account shall be one-quarter hour while any additional actual absence over one quarter hour shall be charged to the nearest quarter hour increment. Such sick leave with pay can only be granted in accordance with Section 2, F, 2.

c. Family sick leave may be used in conjunction with approved Family Care Leave (Section 2, H, 2) to the limits described in Section 2, F, 2 above.

3. Employees engaged in permanent, regular, continuous, and part-time service as specified in the Salary Resolution, based upon a definite work schedule shall be allowed sick leave by reducing the amount of sick leave earned in direct proportion as such part-time service compares to regular full time service.

"Variable Shift Employees" may use sick leave for those days the employee is scheduled to work and may not exceed 8 hours in a day or 40 hours in a biweekly pay period. In any biweekly pay period, total paid regular work hours when added to paid sick leave may not exceed 80 hours.

4. All employees, upon return to work after an illness or medical/dental appointment, shall complete a Certificate of Illness Form, signed by the department head, such form to accompany the biweekly payroll on which the illness is shown. In the event this form does not accompany the biweekly payroll, the time away from work will be charged to either earned vacation or the employee shall be marked absent on the payroll. No sick leave will be honored without completion of this form. Employees working in departments utilizing a County approved automated timekeeping systems can use the applicable

SECTION 2. TERMS OF EMPLOYMENT

electronic request and approval process and will not be required to fill out a paper form.

5. If, in the judgment of a department head, an employee may be using sick leave improperly, or a department head has reasonable cause to believe an employee may be intending to improperly use sick leave, (for employees in Units 7, 10, 14, and Unrepresented Management), or if the department is experiencing a job action such as a sick out, blue flu, strike, work stoppage, or other concerted activity (for employees in Units 4, 5, 6, 8, and 11), the department head may require a doctor's certificate as verification of the employee's illness, sickness or injury, provided notice of such requirement has previously been given to the employee. This provision is intended for use in those cases where the department head has reasonable cause to believe that sick leave is or may be improperly used.
 - a. Should the affected department head, pursuant to the provisions of this section, demand that a Unit 10 or 14 employee obtain medical verification, the following conditions shall apply:
 - (1) The employee may obtain verification of illness from his/her personal physician;
 - (2) Verification may be obtained on County time; and
 - (3) The cost of the doctor's appointment to obtain verification will be borne by the County (limited to actual employee costs under the County Health Plan).
 - b. The foregoing subparagraph a. shall not apply, however, when the affected department head reasonably determines that a sick-out or other concerted job action is being taken by the Bargaining Unit on the day(s) on which the employee is claiming to be ill. Should such a determination reasonably be made, verification of illness shall not be paid for by the County, nor may the employee charge the time taken for medical verification to the County, unless it is positively verified that the employee was actually ill on the day(s) in question.
6. When an employee is absent for more than five (5) consecutive working days (or 40 consecutive regular work hours as per alternate work schedule), the employee shall present a statement by the employee's physician releasing the employee for normal duty. If such statement is not provided by the employee, the department head may require an immediate examination by the Health Officer, relating to the illnesses or injuries which caused the absence, prior to permitting the employee to return to work.
7. Except as provided in Management Resolution 2012-92, Section IV., Leave Provisions, employees who have accumulated unused sick leave upon service retirement, excluding deferred retirement, and upon disability retirement or death, will have it distributed as follows:

Units	After 5 Years	After 10 or more years
10	25% up to a maximum of 240 hours	50% up to 320 hours
4, 5, 6, 8, and 14	25% up to a maximum of 320 hours	50% up to 460 hours

SECTION 2. TERMS OF EMPLOYMENT

For Unit 11

- a. After 5 years of continuous service, 25% of the employees accumulated unused sick leave, up to a maximum of 480 hours will be contributed to the employee's accumulated sick leave sell-back at retirement. Of that sell-back amount, 50% up to a maximum of 240 hours will be contributed to the employee's PEHP account, and 50%, up to a maximum of 240 hours will be paid to the employee. The remaining accumulated unused sick leave will be credited toward service time as of the date of retirement.

Unit 11 employees may elect to credit the remaining sick leave sell-back hours after the PEHP contribution, toward service time, as of the date of their retirement, in lieu of the payout

- b. After 10 years of continuous service, 50% of the employees accumulated unused sick leave, up to a maximum of 780 hours will be contributed to the employee's accumulated sick leave sell-back at retirement. Of that sell-back amount, 50% up to a maximum of 390 hours will be contributed to the employee's PEHP account, and 50%, up to a maximum of 390 hours will be paid to the employee. 8. County employees shall have the option of participating in a plan to buy back a portion of their accumulated sick leave hours upon meeting certain criteria as outlined below: Payment for this sick leave will be based on the hourly wage rate of the employee at the end of Pay Period 24 and issued with paychecks for Pay Period 25. This cash out will be based on the employee's regular rate of pay and will not include any special pays.

For Units 4, 5, 6, 7, 8, 10, 11, 14 and Unrepresented Management:

Employees who have a sick leave balance of at least 156 hours at the end of Pay Period 24 and who have used less than 100 hours of sick leave during the previous 26 pay periods may, at their option, cash out up to 50% of the difference between 100 hours and the number of sick leave hours actually used during the previous 26 pay period up to a maximum of 50 hours.

SECTION 2. TERMS OF EMPLOYMENT

Examples:

Sick Leave Balance	Maximum Hours Allowed	Hours used during the previous 26 PP's	Available Cash Out Hours

An employee shall have the obligation to notify his or her immediate supervisor before leaving the job because of sickness or illness, and thereafter to notify the immediate supervisor daily of any continued absence unless the employee has stated an estimated date of return to work.

G. EMPLOYEE BENEFIT PROGRAMS FOR INJURY OR ILLNESS

(The purpose of this section is to provide County employees with basic information about the programs that are available to assist them in dealing with both work related and non-work related injury and illness. The programs described below have various requirements and restrictions for both the employee and the employer. Individual situations will usually require discussion with County Risk Management staff. Each County department was provided a WC Procedure Manual to facilitate adherence to proper procedures and to provide information about responsibilities of both the employee and the employer).

1. Workers' Compensation Program (WC)

If an employee sustains an injury or occupational related illness while working, he/she may be entitled to benefits under the California Workers' Compensation Law. These benefits include:

a. Medical Care

Authorized medical expenses are fully covered. Employees needing medical care, will be referred by the County to an occupational medicine provider, unless they have pre-designated a personal physician.

b. Disability Income

If hospitalized or unable to work for more than three (3) days, the employee (non-safety only) will receive income equal to two-thirds (2/3) of their average weekly pay up to the legal maximum per week. Safety employees are covered under the provisions of Section 4850 of the Labor Code and receive income as provided under this section. Temporary Disability Benefits are capped at 104 weeks from commencement of the first payment of Temporary Disability Benefits. Should permanent disability occur, additional benefits might be available.

c. Rehabilitation

If an injury or illness prevents an employee from returning to their usual and customary job, they may be eligible for vocational rehabilitation and retraining, as of January 1, 2004. When an employee enters a State approved vocational rehabilitation program under the provision of Section 139.5 of the Labor Code, and

SECTION 2. TERMS OF EMPLOYMENT

such vocational rehabilitation is for the purpose of employment in a position outside of County service, the employee will be terminated.

Vocational Rehabilitation Services are not available for injuries sustained on or after January 1, 2004. An employee who sustains an injury after January 1, 2004 may be eligible for a voucher (Supplemental Job Displacement Voucher) for education related retraining or skill enhancements payable to a state approved or accredited school. There will be no vouchers after January 1, 2009.

d. Death Benefits

Should the work related injury or illness result in death; dependents may be eligible to receive a death benefit.

e. Limitations Regarding Outside Employment While Receiving WC Benefits

WC laws include limitations and requirements relating to any earned income from other employment or unemployment insurance received while also receiving WC benefits. Any earned income (or other benefits) must be reported regardless of whether the type of work performed, even if it is very different from the employee's County position. Such income(s) may affect an employee's disability status and any failure to report may result in legal action. Engaging in physical activities that are inconsistent with temporary disability status may compromise your eligibility for WC benefits.

f. Coordination of Other Benefits with WC

- (1) While receiving WC benefits as a qualified injured worker, an employee will be subject to any health coverage terms or limitations imposed by the County's current health care insurance carrier. Generally, group health plan provisions allow coverage to continue for 12 months while an employee is on any form of approved leave, as long as the employee continues to pay their share of costs.
- (2) While receiving WC benefits, employees shall coordinate the use of accrued leaves balances such that payment shall not exceed their established gross salary. Pursuant to provisions of the California Labor Code, employees may be re-credited with any leave time used should WC eligibility be determined to cover the absence.

g. Medical Treatments Covered by WC

Medical treatments (i.e. physician visits, check-ups, lab test, or physical therapy sessions) related to an injury or illness covered by WC and scheduled during an employee's regular work hours shall be compensated as regular work hours only prior to the employee's claim reaching permanent and stationary status. Once the employee's claim has been determined to be permanent and stationary, the employee will be required to use his/her own accrued leave balances.

h. Return to Work Policy

Merced County has a Return to Work Policy which states the County's goal to provide any injured employee the opportunity to recover quickly, minimize wage loss and maintain productivity after an illness or injury. A copy of this policy is available from department payroll and supervisory personnel and will be placed on the Intranet.

SECTION 2. TERMS OF EMPLOYMENT

2. Temporary Transitional Assignments

Transitional Plans for employees returning to work after an injury or illness may include transitional work assignments in accordance with the recommendations of the treating physician. These assignments may involve temporary schedule changes and/or shift changes in addition to temporary changes in duties to accommodate any physician restrictions until an employee's condition becomes Permanent and Stationary.

3. State Disability Insurance (SDI)

Merced County non-management employees are enrolled in the State Disability Insurance Program (SDI). Premiums for this insurance are paid solely by the employee. This insurance is administered solely by the State, who determines eligibility and issues premium payments.

a. **Coverage**

Under the provisions for SDI, a disability is defined as any illness or injury, either physical or mental that prevents you from doing your regular or customary work. Non work-related disability also includes elective surgery, pregnancy, childbirth, or related medical conditions.

b. **Waiting Period and Benefits**

The first seven (7) days after a claim is filed are a waiting period and no benefits are paid. After all required information is received and coverage is approved, benefits are paid as soon as possible. Benefits are calculated by the state based on the employee's record of wage earnings during a 12 month base period. There are a number of specific rules and criteria used to calculate the benefit. Specific information on this is available from the State Employment Development.

c. While receiving SDI benefits, employees shall coordinate the use of accrued leave balances such that payment shall not exceed their regular gross bi-weekly wages pursuant to the provisions of current regulations. Once you stop using paid time, you may not use it again until you return to work.

4. Management Disability Program

Merced County contracts with a vendor to provide Disability Insurance for full-time Management employees classified as A, B, C, D, & E and employees of Bargaining Unit 7 (Merced County Lawyers Association). Premiums for Unit 7 are paid by the employee; the County pays premiums for un-represented management employees and Unit 11. Insurance becomes effective on employees first paycheck. Please see current employee booklet concerning Group Short Term and Long Term Disability Insurance Program for complete schedule of benefits. A summary of benefits is as follows:

a. Under the provisions of the Management Disability Program, "disability" means you are off work due to Injury or Sickness and:

- (1) unable to do the material duties of your job; and
- (2) not doing any work for payment; and
- (3) under the regular care of a physician.

b. "Injury" means bodily injury resulting directly from an accident, independent of all other causes. "Sickness" means illness or disease causing disability. Sickness

Benefit is 66 2/3% of basic salary (maximum benefit is described in the employee booklet discussed in 4). Long Term (LTD) benefits, for most disabilities, are paid until Normal Retirement Age. Your LTD benefit will be reduced by Social Security Disability benefits, retirement benefits, and Workers Compensation benefits.
- d. While receiving LTD benefits, employees shall coordinate the use of accrued leave balances such that payment shall not exceed their regular gross bi-weekly wages pursuant to the provisions of current regulations. Once you stop using paid time, you may not use it again until you return to work.

5. Paid Family Leave Insurance Program (PFL)

Merced County non-management employees are enrolled in the Paid Family Leave Insurance Program. This insurance is administered solely by the State, who determines eligibility and issues premium payments.

PFL is intended to compensate in part for the lost wages of an individual who is unable to work due to the sickness or injury of a child, spouse, parent, grandparent, grandchild, sibling, parents-in-law or domestic partner, or the birth, adoption foster care placement of a new child of the employee or domestic partner.
- b. Under the provisions of PFL, the employee is responsible for submitting claims for benefits to the Employment Development Department (EDD). EDD is responsible for determining that the employee has provided the required documentation for the claim. EDD, not the employer, is obligated to assess whether claims for the benefit are valid and are responsible for approving or denying claims.
- c. Paid Family Leave does not have a waiting period and for benefits. After all required information is received and coverage is approved, benefits are paid as soon as possible.
- d. While receiving PFL benefits, employees shall coordinate the use of accrued leaves balances such that payment shall not exceed their regular gross bi-weekly wages pursuant to the provisions of the California Unemployment Insurance Code, Sections 3300 et seq.

An employee returning from family care leave shall return with no less seniority than the employee had when the leave commenced for purposes of layoff, recall, promotion, job assignment, shift assignment, and seniority-related benefits such as vacation. Retirement benefits do not accrue during a leave of absence without pay.

Birth of a child, adoption or placement of a foster care child with the employee are also circumstances which qualify for FMLA.

FMLA may be requested by the employee or the employer.

In addition, the employee may continue dependent care health insurance coverage by paying their 50% share of dependent medical, dental and or vision coverage during the first 12 weeks off work.

If the employee fails to pay their share of premiums, the County will discontinue its payment of dependent care premiums. After that, an employee may continue personal and dependent health, dental, vision, and life insurance benefits by paying the total monthly premiums to the County. Employees who elect not to continue dependent premiums, or who do not maintain their share of dependent premiums payments will not have dependent coverage until the next open enrollment period after they return to work.

SECTION 2. TERMS OF EMPLOYMENT

4. When determined by the Board of Supervisors that a Reduction in Force is to be initiated, layoff shall be determined by retention points as computed below and implemented by classification series within department.

- a. Retention Points

- (1) One point shall be given for each payroll period during which an employee was in a paid status and was in continuous service as a regular County employee, within their current classification series in their current department. Paid status shall mean paid time worked and paid time off for holidays, sick leave and vacation. Deductions shall be made from the one point on a prorated basis for time off without pay. For example, if an employee were off payroll for 20 hours during a pay period, they would receive 0.75 retention points for that pay period.

Employees hired under Merit System Services prior to 07/01/2016, shall retain the seniority accrued prior to that date.

- (2) Employees on approved leaves of absence such as educational leave, military leave, family care leave and non-work related disability leave, shall retain seniority accumulated before the leave of absence. The time utilized in the leave of absence will not be included in the seniority score. Time on industrial disability leave (Worker's Compensation) shall be included in the seniority score computation.

- b. Seniority Within Classifications

- (1) Seniority shall be determined by length of service within a classification (or series, if applicable) within a department. For purposes of this Section, seniority for employees represented by Bargaining Unit 30, shall be determined as outlined in Section 2, M, of the Human Resources Rules and Regulations. For purposes of this Section, seniority for employees represented by Bargaining Units 3, 4, 5, 6, 8, and 11 shall include time on SDI, while the SDI benefit is being coordinated with the employee's vacation, sick leave, or compensatory time off. Time while on an unpaid leave or suspension shall not be included in the calculation.
- (2) A series is a natural progression within a set of classifications whereby the incumbent progresses from a "trainee" to "journey-level and/or advanced journey-level" (i.e., the most obvious example will be a flexibly allocated I/II/III). Where appropriate, natural progression through management levels may be included in a series.
- (3) A series may also be designated by similar minimum qualifications, whereby the primary difference between one level of class in a series and the next is the number of years experience required and also the possible need for supervisory/lead experience.
- (4) Definition of a classification series shall be determined by Human Resources after consultation with the department and the appropriate employee organization.
- (5) For an employee, whose current position has been reclassified and the title of the classification changed, the length of continuous service in the previous title classification will count towards establishing seniority in the present classification of the employee. The employee will not have bumping rights to the classification they were reclassified from.

SECTION 2. TERMS OF EMPLOYMENT

5. Any required reduction shall be in the following order within the same classification and/or classification series within department.
 - a. Seasonal, Intermittent and Extra-help employees
 - b. Provisional and/or Limited Term employees.
 - c. Probationary employees.
 - d. Permanent Part-time or Variable Shift positions.
 - e. Permanent Full Time positions.

Bumping rights must be exercised within five (5) working days or the right to bump is lost. All variable shift positions in the affected classifications must be eliminated by the effective date of the Reduction in Force.

6. Based upon retention points, an employee who so requests, shall in lieu of layoff be demoted (bump and replace an employee with fewer retention points) to a lower position in his/her department. Demotion shall be through those classes (or class series) in which the employee previously held permanent status, or through their current classification series.
7. In cases where employees have accrued an equal number of retention points, the department head can make a determination to break the tie on the basis of the following:
 - a. Prior time in County service for an employee who has a break in service or who has transferred between County departments.
 - b. Qualifications and performance.
8. Notwithstanding the foregoing, if the appointing authority determines that the public interest will not be served by application of the above criteria, the appointing authority may depart therefrom based on a clearly demonstrable superiority in performance and/or qualifications. In such case, the appointing authority shall notify the employee to be laid off and such employee shall have the right of appeal in accordance with the appeals procedure contained in the Human Resources Rules and Regulations.
9. In the event of a County Reduction in Force, Human Resources shall maintain the following two lists:
 - a. A re-employment list for those employees laid off as a result of the work force reduction.
 - b. A demotion/promotional list for those employees demoted as a result of the layoff who may compete for vacancies in other County departments.
 - c. These lists shall also be maintained by each department, according to descending order of Retention Points. Employees with the most points must be re-employed in their former class ahead of all others until the lists expire. Each eligible former employee or demoted employee will remain on the list for eighteen (18) months from the effective date of the layoff or demotion. Former employees will be responsible for keeping Human Resources advised, in writing, of a current address. When notified in writing by return receipt mail that they will be re-employed, former employees must indicate their availability and acceptance of the opportunity to return to work within

- b. All employees eligible for re-employment with the County shall be maintained on County Classification Lists as established by the Human Resources Department, and shall be interviewed for vacancies in other departments when those vacancies occur in the same classification series from which they were laid off.

(Example: A Typist Clerk II that had been laid off in the Sheriff's Department would be placed on the Typist Clerk II Classification List, would be referred for a Typist Clerk II vacancy at the Planning Department.)

- c. If a regular eligible list exists for a vacancy, the department will interview the appropriate individuals from that list as well as the eligible employees from the County Classification List as mentioned in 10, b, above and eligible employees from the eligibility lists mentioned in 10, d, below.
- d. Employees eligible for re-employment with the County shall be maintained on Eligibility Lists as established by Human Resources and shall be interviewed for vacancies in other departments for which they served in the same classification series or meet the minimum qualifications. These positions must be at a salary range equal to or less than the classification from which the employee was laid off. Only after interviewing such employees and presenting written documentation acceptable to the Director of Human Resources may the department reject such employees and request a regular certification list, or in the absence of such a list, request commencement of a regular recruitment to fill the vacancy.
- e. Any permanent, permanent part-time, and variable shift employee being laid off in accordance with County rules shall be eligible to transfer to a vacant position at equal salary, or voluntarily accept a demotion to a vacant position of lower salary, in any department in regular County service if the employee meets the minimum qualifications as set forth in the class specification. Human Resources shall make every reasonable effort to facilitate such a transfer or voluntary demotion when so requested by an employee affected by reduction in force yet remain within the guidelines as provided in the County rules. Human Resources will refer a list of all such interested employees to the departmental hiring authority where the vacancy exists. Only after interviewing such employees, and presenting written documentation acceptable to the Director of Human Resources, may the department reject such employees and request a regular certification list, or in the absence of such a list, request commencement of a regular recruitment to fill the vacancy.
- f. In the event, permanent employees in the classification of Supervising District Attorney, Deputy District Attorney I/II/III/IV, Deputy Public Defender I/II/III/IV and Deputy County Counsel I/II/III/IV, who were hired prior to September 1, 1998, and are subsequently, without a break in service, are appointed to an Employment At-Will position and are dismissed from that position for reasons other than being discharged for conduct as defined in Human Resources Rules and Regulations, Section 8.C,

If eligible for reinstatement, the employee may bump or displace employees who have fewer retention points. An employee in an Employment At-Will position can not use bumping rights for voluntary reasons. Human Resources will determine if demoted classification is comparable to the prior permanent position the incumbent held.

Employees hired on or after September 1, 1998 who accept an Employment At-Will position are excluded from the Reduction in Force policy and bumping rights.

11. Procedures

- a. When it is determined by the Board of Supervisors that a reduction in the number of County employees is required, the County Executive Officer and/or his designee and the affected department head will prepare a revised departmental allocation list which complies with the limitations imposed by the Reduction in Force. Such position allocation list shall be reviewed by the Board of Supervisors at a regularly convened policy review meeting.
- b. Thereafter, by Resolution, the Board of Supervisors will designate by budget unit, the number and classifications of employees to be affected by the layoff, and the effective date of such layoff.
- c. The department head and Human Resources will jointly compute the retention points for each concerned department. The rank order of layoff will then be published in the appropriate department after review with the appropriate employee organization. Copies will be filed with Human Resources and the County Executive Officer.

Said notice shall be served personally upon the employee or mailed by registered mail to said employee at the address shown in the personnel records of the County Human Resources Department.
2. If an employee wishes to appeal this action the employee or their representative must file, in writing with the County Human Resources Department, a notice requesting a hearing before the Administrative Hearing Officer. All appeal notices will be hand delivered or emailed to County Human Resources within the time frames listed below. Acknowledgement of receipt of the appeal will be provided to the employee and/or their representative. It shall be the burden of the appealing party to obtain written acknowledgement of receipt from the County. Appeals will not be processed unless there is written acknowledgement by the County of timely filing of the appeal.
 - a. The appeal notice must be filed within ten (10) working days of the personal service upon the employee or the date of mailing of the final disciplinary action notice. For purposes of this section, for employees working an alternate work schedule, the term "working days" shall mean Monday through Friday during the County's regular work week. Holidays and furlough days are excluded. If an employee does not present his/her appeal within the prescribed time limits, or fails to appear at any scheduled hearing date, the appeal shall be considered resolved in favor of the County. The time limitations at any level in the procedure may be extended by mutual consent of the parties. By mutual written agreement between the parties, an appeal may revert to a prior level for reconsideration.

If the County does not request a list of Administrative Hearing Officers from SMCS within the prescribed time frames, the appealing party may request the list. Within ten (10) working days from the receipt of the list, the parties shall alternate striking names from the list until one (1) name remains. That person shall be the Administrative Hearing Officer for the appeal. The party who shall strike first shall be determined by mutual agreement, otherwise, by a coin toss.
- d. If for any reason the SMCS is unable to provide the parties with a list of five (5) to seven (7) Administrative Hearing Officers, or if within thirty (30) days of selection, the Administrative Hearing Officer is not able to schedule a hearing date, then either party may request a new list of seven (7) Administrative Hearing Officers from SMCS. If the Administrative Hearing Officer under the second list is not able to schedule a hearing date within thirty (30) days of selection, the parties may agree to an alternative Administrative Hearing Officer. It is understood that the thirty (30) days referenced in this section "d" refers to the act of calendaring the hearing and does not mean the date of the hearing shall occur within the thirty (30) days. If the parties cannot agree upon an alternative Administrative Hearing Officer, the parties shall meet and confer for the purposes of selecting an Administrative Hearing Officer following these Rules and Regulations.
- e. All costs of the Administrative Hearing Officer and a court reporter, if used in the hearing, shall be shared equally by both parties.

- l. Hearsay evidence may be used for the purpose of supplementing or explaining other evidence but over timely objection shall not be sufficient in itself to support a finding unless it would be admissible over objection in a civil action under California law.
- m. The parties shall exchange lists of anticipated or potential witnesses not less than ten (10) working days in advance of the scheduled hearing date.
- n. Employees shall not suffer a loss of compensation for time spent appearing and testifying as a witness at an administrative hearing held pursuant to this section. The employee and department representative are exempt from this provision. The employee is free to designate and have present a non-witness support person during hearings.
- p. All appeal hearings, excluding terminations, shall be recorded by either the County or the Administrative Hearing Officer. SECTION 9 . APPEALS PROCEDURE (All Bargaining Units)

within ninety (90) days after the Notice of Decision and Findings is mailed to the employee or will otherwise be considered to have waived the right to do so. (Code Civ. Proc. Section 1094.6.)

- v. The procedures, hearing, and/or the Administrative Hearing Officer's written decision provided for under this Section or under these Rules and Regulations shall not be used or interpreted as an agreement of the parties to final and binding arbitration under California Code of Civil Procedure 1280 et seq. (California Arbitration Act). - w. An employee who chooses not to exercise his/her right to appeal the imposition of discipline pursuant to this Section shall be barred from appealing the imposition of such discipline in superior or district court for failure to exhaust administrative remedies. If the parties agree to mediation, a request for a mediator shall be made to SMCS. Timeframes under the appeal procedures shall be tolled while the parties consider or participate in mediation. The cost, if any, will be shared by both parties equally.
2. The mediator shall have no authority to make a ruling in the matter but shall only make recommendations. If the matter is settled during the mediation, the terms of the settlement shall be in writing.
3. Neither party will be bound by any recommendation of the mediator. If the mediation does not successfully resolve the matter, the matter will continue to hearing. Other than a statement that mediation was attempted but was unsuccessful, no other information, including the mediators recommendation, shall be made known to the Administrative Hearing Officer.

SECTION 10. GRIEVANCE PROCEDURE (All Bargaining Units)

SECTION 10. GRIEVANCE PROCEDURE (For Units 2, 12, 30 refer to current MOU)

THE FOLLOWING RULE IS APPLICABLE ONLY TO REGULAR PERMANENT COUNTY EMPLOYEES.

A. STATEMENT OF PURPOSE

Procedure is hereby established to permit systematic consideration of an individual employee grievance. The object of this procedure is to resolve grievances as informally as possible and within the organization, unit, and level in which the grievance has arisen. It is the intent of the parties to resolve grievances at the lowest practicable level and as promptly as possible. The Grievance Procedure is intended to assure a grieving employee the right to present his/her grievance without fear of disciplinary action or reprisal by his/her supervisor or department head.

B. SCOPE

A grievant is an employee who declares they have been adversely affected by the alleged violation.
2. The following are excluded from the Grievance Procedure:

 - b. Those employees subject to State Regulations, who shall use the appropriate complaint procedure.
 - c. Counseling memos or employee performance evaluations, except performance evaluations which result in a denial of a merit step increase. Such case is not discipline and the employee retains the burden of proof.
 - d. Meet and Confer Items or unfair labor charges. Such items will be handled through the Meet and Confer process and/or filed as unfair labor practices with the Public Employee Relations Board (PERB).
3. Final determination on a grievance's applicability under this Section or the EERP shall rest with the County Executive Officer or his/her designee.

C. SUBMISSION OF GRIEVANCE

1. Any individual employee shall have the right to present a grievance. If the grievance involves a group of employees or if a number of employees file separate grievances on the same matter, the grievance will be handled as a single grievance.
2. Any Union or Association may elect not to represent non-dues/fee paying members. If the grievance is taken to the Administrative Hearing Officer level, the decision of the Administrative Hearing Officer shall not be used to establish a precedent if the Union or Association elected not to represent the employee or group of employees.
3. By written mutual agreement between the parties:

SECTION 10. GRIEVANCE PROCEDURE (All Bargaining Units)

- c. The immediate supervisor shall verbally present his/her decision no later than five (5) working days after the informal discussion. If it is the judgment of any management representative that he/she does not have the authority to resolve the grievance, he/she may refer the grievance to the next level in the procedure.
- d. The employee may request the assistance of another person of his/her choosing to act as a representative during the informal discussion, or he/she may be represented by a recognized employee organization of which he/she is a member. The employee and his/her representative may use a maximum of thirty (30) minutes of work time to prepare the informal grievance.
- e. Grievances not resolved or responded to in the informal process may be advanced to the formal process.

2. FORMAL PROCESS

- g. The department head or designee shall enter his/her decision and comments in writing and return the original grievance form to the employee within five (5) working days after the grievance resolution meeting. This section is the final step for employees in Units 3, 4, 5, 6, 8 & 11 who file a grievance on a Written Reprimand. The department head decision is final and written reprimands will not be eligible for hearings by an Administrative Officer.
- h. If the written decision of the department head or designee does not resolve the grievance, the employee may, within ten (10) working days after receipt of the written response, file the original grievance form with the Human Resources Department. Unresolved formal grievances shall be heard by an Administrative Hearing Officer, pursuant to Section 9 of the Merced County Human Resources Rules and Regulations.
- i. It is the employee's responsibility to ensure a copy of his/her completed grievance form is delivered and a written acknowledgement of receipt is provided by County Human Resources within the above time frames.
- j. Any grievance not initiated or pursued within the time limits of the steps, will be considered settled on the basis of the last timely answer by the employer. Failure by the employer to meet the time limits allows the grievance to proceed to the next step of the grievance process.
- k. If an employee does not present his/her grievance, attend scheduled Administrative Hearing Officer hearings, or does not appeal the decision rendered regarding his/her grievance within the prescribed time limits, the grievance shall be considered resolved.

3. ADMINISTRATIVE HEARING OFFICER

- a. The Administrative Hearing Officer shall schedule a hearing date within thirty (30) days of selection. Copies of the decision will be furnished to all parties.
- b. The written Notice of Decision and Findings of the Administrative Hearing Officer shall be final for purposes of internal administrative exhaustion. Administrative Hearing Officer decisions are not advisory decisions or recommendations to the Board of Supervisors for their further action.

SECTION 10. GRIEVANCE PROCEDURE (All Bargaining Units)

- c. A party seeking to challenge the final decision of the Administrative Hearing Officer in superior or district court must file a petition in a court of competent jurisdiction within ninety (90) days after the Notice of Decision and Findings is mailed to the employee or will otherwise be considered to have waived the right to do so. (Code Civ. Proc. Section 1094.6.)
- d. The procedures, hearing, and/or the Administrative Hearing Officer's written decision provided for under this Section or under these Rules and Regulations shall not be used or interpreted as an agreement of the parties to final and binding arbitration under California Code of Civil Procedure 1280 et seq. (California Arbitration Act). Both parties retain the right to seek judicial review, upon the full evidentiary merits of the Administrative record and the Administrative Hearing Officer's written decision (pursuant to Code of Civil Procedure 1094.5). Neither party agrees to binding arbitration.
- e. An employee who chooses not to exercise his/her right to appeal the imposition of discipline pursuant to this Section shall be barred from appealing the imposition of such discipline in superior or district court for failure to exhaust administrative remedies. SECTION 12. MEDICAL TERMINATION

SECTION 12. MEDICAL TERMINATION

The provisions of this section apply to employees with permanent or probationary appointments. An appointing authority may require an employee to submit to a medical examination by a physician or physicians designated by the appointing authority to evaluate the capacity of the employee to perform the work of the position. When such a requirement is made of an employee, fees for the examination shall be paid by the appointing authority. When the appointing authority, after considering the conclusions of the medical examination provided for by this section, or medical reports from the employee's physician, and other pertinent information, concludes that the employee is unable to perform the work of the present position, but is able to perform the work of another position including one of less than full time, the appointing authority may demote or transfer the employee to such a position.

When the appointing authority concludes that the employee is unable to perform the work of the present position, or any other available position in the department, the appointing authority may terminate the employee. The appointing authority shall make reasonable job restructuring and other accommodations before demoting or terminating an employee under this section.

The appointing authority may demote, transfer, or terminate an employee, without requiring the employee to submit to a medical examination, when the appointing authority relies upon the written statement submitted to the appointing authority by the employee as to the employee's condition, or upon medical reports submitted to the appointing authority by the employee.

The employee shall be given written notice 15 calendar days prior to the demotion, transfer, or termination. No later than 30 calendar days following the notification of action, the employee may file an appeal as provided in Section 9, Appeals Procedure.

If it is determined by the appointing authority, or under the appeals procedure, that the employee who was terminated, demoted, or transferred in accordance with this section is no longer incapacitated for duty, the employee shall be reinstated to a vacant position in the classification from which he or she was originally removed, in a comparable classification, or in a lower related classification as provided in Section 2.W.9.c. If there is no vacant position in the classification from which the employee was originally removed, the name of the employee shall be placed upon the reemployment list for that classification.

SECTION 13. DRUG-FREE WORKPLACE POLICY

SECTION 13. DRUG-FREE WORKPLACE POLICY

A. PURPOSE

It is the intention of this policy to eliminate controlled substance abuse and the effects of drugs in the workplace. While Merced County does not intend to intrude into the private lives of its employees, involvement with drugs off the job can take its toll on job performance and employee safety. Our concern is that employees are in a condition to perform their duties safely and efficiently, in the interests of their fellow workers and the public as well as themselves. The unlawful presence, manufacture, distribution, dispensing, possession, solicitation or use of controlled substances or the criminal use of prescription drugs on the job and on-call, and the influence of these substances and alcohol on employees during working hours, are inconsistent with this objective.

Employees who think they may have an alcohol or drug usage problem are urged to voluntarily seek confidential assistance from the Employee Assistance Program Counselor to be designated by the County. While the County will be supportive of those who seek help voluntarily, the County will be equally firm in identifying and disciplining those who continue to be controlled substance abusers and do not seek help.

Supervisors will be trained to recognize abusers and become involved in this control process by staff on contract to the Behavioral Health Department. Controlled substance abuse, the criminal use of prescription drugs will not be tolerated, and disciplinary action, up to and including termination, will be used as necessary to achieve this goal.

This policy provides guidelines for the detection and deterrence of criminal drug abuse. Therefore, it also outlines the responsibilities of County managers, supervisors and employees. To that end the County will act to eliminate any unlawful use of controlled substances or criminal use of prescription drugs, or any other substance which could impair an employee's ability to safely and effectively perform the functions of the particular job, or which increases the potential for accidents, absenteeism, substandard performance, poor employee morale or damage to the County's reputation. All persons covered by this policy should be aware that violations of the policy may result in discipline, up to and including termination, or in not being hired.

B. POLICY

The County Board of Supervisors believes that the County of Merced has the responsibility of maintaining a safe and efficient working environment. Employees who work while under the influence of alcohol and other drugs present a safety hazard to themselves and their co-workers, and to the public.

The County's policy prohibiting drinking of alcoholic beverages on the job or reporting to work under the influence of alcohol or intoxicants remains in full force and effect. Moreover, the Board of Supervisors believes the presence of alcohol and other drugs in the workplace limits our ability to provide high quality service to the public.

Accordingly, we have implemented procedures to assure that the County continues to ensure compliance to the Drug-Free Workplace Act, and to maintain its reputation as a quality employer.

SECTION 13. DRUG-FREE WORKPLACE POLICY

The following paragraphs are provided in compliance to the Drug-Free Workplace Act of 1988, Title 21, Code of Federal Regulations (CFR), Chapter III, Subpart F, Section 1404.600, and in amplification of Section 8, Human Resources Rules, and Regulations, as pertains to that Act.

1. For County of Merced employees, the following conduct are grounds for discipline, up to and including termination.
 - a. Unlawful use, manufacture, possession, distribution, dispensing, sale or solicitation of a controlled substance (as defined by California law) while on County property, at work locations, or while on duty or subject to being called to duty (e.g., On-Call status).
 - b. Failure to notify the County Human Resources Department of any controlled substance criminal conviction for a violation occurring in the workplace no later than 5 days after such conviction.
 - c. Failure to participate satisfactorily in a drug abuse assistance or rehabilitation program following a controlled substance criminal conviction for a violation occurring in the workplace or if ordered by the Court to participate in such a program.
 - d. Failure to disclose a criminal controlled substance conviction on the employment application. This is applicable after July 1, 1989.
2. The County shall have the right to investigate any suspected violations of this Drug-Free Workplace Policy Statement or of the County policy on alcohol abuse.

C. APPLICATION

This policy applies to all employees of, and to all applicants for positions with, the County.

SECTION 14. WORKPLACE VIOLENCE POLICY

SECTION 14. WORKPLACE VIOLENCE POLICY

- B. Violence, or threat of violence, by any employee of Merced County is unacceptable, prohibited and will subject the perpetrator(s) to disciplinary action up to and including termination. In appropriate cases, the County will seek criminal prosecution.
- C. The following actions by a County employee on the job (or by a non-County employee who is working on County premises) undertaken against another County employee during the latter employee's working hours, or undertaken against an employee's family member, will subject that employee to disciplinary action, unless the action is deemed an appropriate execution of the employee's duties:
 - 1. Striking, punching, slapping or assaulting another person.
 - 2. Fighting or challenging another person to a fight.
 - 3. Grabbing, pinching or touching another person in an unwanted way (whether sexually or otherwise).
 - 4. Engaging in dangerous, threatening or unwanted horseplay.
 - 5. Possession, use, or threat of use, of a gun, knife or other weapon of any kind on County property, including parking lots, other exterior premises, County vehicles, or while engaged in activities for the County in other locations, unless such possession or use is a requirement of the job.
 - 6. Threatening harm or harming another person, or any other action or conduct that implies the threat of harm.
- D. Any employee who is the victim of any violent, threatening or harassing conduct, witnesses such conduct taking place, or receives a report of conduct prohibited by this policy (whether the perpetrator is a County employee or a non-employee) shall immediately report the incident to their supervisor or other appropriate person in the chain-of-command, to be followed immediately by a written report (HRD04). Failure to properly report conduct prohibited by this policy may result in disciplinary action up to and including termination.
- E. No employee, acting in good faith, who initiates a complaint or reports an incident under this policy will be subject to retaliation or harassment based upon their report.
