

PUBLIC NOTICE

Announcement of Public Hearing Campus Parkway Draft EIR-EIS (*Environmental Impact Statement-Environmental Impact Report*)

WHEN & WHERE?

Date: Tuesday, June 21, 2005
Time: 5:30 p.m.
Place: County Admin Building
Board of Supervisors Chambers
2222 M Street
Merced, CA 95340

WHAT'S BEING PLANNED?

Campus Parkway is proposed to be a four-lane limited-access expressway located on the east side of the City of Merced. Campus Parkway is proposed to extend from the planned Mission Interchange to Yosemite Avenue, a length of approximately 4.5 miles. At-grade intersections are proposed at Yosemite Avenue, Olive Avenue, Childs Avenue, and Gerard Avenue. A connection with State Route 140 is proposed to be provided with a hook-shaped ramp connector roadway. Overpass bridge structures are proposed over State Route 140 and the adjacent BNSF Railroad as well as over Bear Creek and the adjacent Bear Creek Drives.

WHAT YOU CAN DO

The Public Hearing will be held to give you the opportunity to comment on the Draft EIS-EIR for the Campus Parkway project. The Public Hearing will be held at a regularly scheduled meeting of the Merced County Board of Supervisors. The Public Hearing is scheduled to begin at 5:30 p.m. No formal presentations will be made. If you cannot attend the Public Hearing, written comments will be accepted at the address listed below until July 5, 2005. Comments submitted by e-mail will also be accepted.

CONTACT INFORMATION

Written comments can be submitted until July 5, 2005 to Steven E. Rough, Supervising Engineer, Merced County Public Works, 345 W. 7th Street, Merced, CA 95340 or e-mail to srough@co.merced.ca.us.
