(4 numbers)

Library card holders' rights and responsibilities: You are responsible for all the materials borrowed on your card and for any charges on items that are overdue, lost or damaged. Unpaid fines and fees may be turned over to a collection agency. **Do not lend your library card to others. Materials checked out on a card are the responsibility of the card holder.** Library cards are required in order to borrow materials. They are issued to individuals and are not to be used by another family member or person. Cards may not be honored, and can be confiscated, if found to be used by someone other than the person named on the card. Your library card provides Internet access in the library and personal access to licensed databases from outside the library. Your card cannot be used by another person, group or institution to access licensed databases. If you lose your library card, report it immediately to any branch of Merced County Library. We will make a note in the computer so that no one can use it. There is a \$2.00 charge to replace a lost card. If you change your address or other personal information, contact any branch of Merced County Library and we will update your record.

I have read the Internet Access Agreement, and agree to the rights and responsibilities stated above.
