18.154.100 – Recovery of Costs

This Section establishes procedures for the recovery of administrative costs, including County Staff and County Counsel time expended on the enforcement of the provisions of this Zoning Code in cases where no permit is required in order to correct a violation. The intent of this Section is to recover all County administrative costs reasonably related to enforcement in compliance with Code of Civil Procedure Section 1033.5, County Code Chapter 1.28 (General Penalty), and this Section.

A. Record of Costs.

1. The Department shall maintain records of all administrative costs incurred by responsible County departments, including County Counsel costs, associated with the processing of violations and enforcement of this Zoning Code, and shall recover the costs from the property owner(s) or the person(s) in control of the property in compliance with this Section.
2. Staff time shall be calculated at an hourly rate as established and revised from time to time by the Board, or the actual rate charged to the County.

B. **Notice.** Upon investigation and a determination that a violation of any of the provisions of this Zoning Code or any condition(s) imposed on a permit or approval is found to exist, the Director shall notify the record owner(s) and/or any person(s) having possession or control of the property by mail, of the existence of the violation(s), the Department's intent to charge the property owner for all administrative costs associated with enforcement, and of the owner's right to a hearing on any objections they may have. The notice shall be in a form approved by the County Counsel.

C. Summary of Costs and Notice.

1. At the conclusion of the case, the Director shall send a summary of costs associated with enforcement to the property owner(s) and/or person(s) having possession or control of the property by certified and first class mail.
2. The summary shall include a notice in a form approved by the County Counsel, advising the responsible party of their right to request a hearing on the charges for County cost recovery within 10 days following the date of the notice, and that if no request for hearing is filed, the responsible party will be liable for the charges.
3. In the event that no request for hearing is timely filed or, after a hearing the Director affirms the validity of the costs, the property owner(s) and/or person(s) in control shall be liable to the County in the amount stated in the summary or any lesser amount as determined by the Director.
4. The costs shall be recoverable in a civil action in the name of the County, in any court of competent jurisdiction, or by tax assessment or a lien on the property in compliance with Government Code Section 54988, at the County's election.
5. The obligation to pay any unpaid costs shall be made a personal obligation of the property owner(s). The obligation may be recovered against the property owner(s) through a civil action initiated by the County or its authorized collection agent, or in any other manner provided for by law. The County shall be entitled to recover costs of the civil action, including the County's attorney's fees.

D. **Attorney's Fees.** In any action or administrative proceeding to enjoin, or abate a nuisance, or seek a civil penalty, the prevailing party in the action or proceeding shall be entitled to recover reasonable attorney's fees; however, the amount of attorney's fees awarded to a prevailing party shall not exceed the amount of attorney's fees incurred by the County in the action or proceeding. Further, an award of attorney's fees in compliance with this Section shall only be allowed where the County elects, at the initiation of the action or proceeding, to seek recovery of its own attorney's fees.

E. **Request for Hearing on Costs.** Any property owner(s) and/or other person(s) having possession and control of the subject property who receives a summary of costs shall have the right to a hearing before the Director.

1. A request for hearing shall be filed with the Department within 10 days following the service by mail of the Department's summary of costs, on a form provided by the Department.
2. Within 30 days following the filing of the request, and on 10 days' written notice to the owner(s), the Director shall hold a hearing on the owner's objections, and determine their validity.
3. In determining the validity of the costs, the Director shall consider whether total costs are reasonable in the circumstances of the case. Factors to be considered shall include:

- a. Whether the present owner(s) created the violation(s);
 - b. Whether there is a present ability to correct the violation(s);
 - c. Whether the owner(s) moved promptly to correct the violation(s);
 - d. The degree of cooperation provided by the owner(s); and,
 - e. Whether reasonable minds differ as to whether a violation(s) exists.
4. The Director's decision shall be appealable directly to the Board in compliance with Chapter 18.144 (Appeals).

18.154.120 – Reinspection Fees

A. Amount and Applicability of Reinspection Fee.

1. A reinspection fee shall be imposed on each person who receives a Notice of Violation, notice and order, or letter of correction of any provision of this Zoning Code or the County Code, adopted Building Code, or State law.
 - a. The fee amount shall be established by the Fee Schedule.
 - b. The fee may be assessed for each inspection or reinspection conducted when the particular violation for which an inspection or reinspection is scheduled is not fully abated or corrected as directed by, and within the time and manner specified in, the notice or letter.
2. The fee shall not apply to the original inspection to document the violations and shall not apply to the first scheduled compliance inspection made after the issuance of a notice or letter, if the correction has been made to the satisfaction of the Director.

B. Continuation of the Original Case.

1. If a notice or letter has been previously issued for the same violation and the property has been in compliance with the provisions of this Zoning Code, the County Code, or any condition of a permit or other approval for less than 90 days, the violation shall be deemed a continuation of the original case, and all inspections or reinspections, including the first inspection for the repeated offense, shall be charged a reinspection fee.
2. This fee is intended to compensate for administrative costs for unnecessary County inspections, and is not a penalty for violating this Zoning Code or the County Code.
3. Any reinspection fees imposed shall be separate and apart from any fines or penalties imposed for violation of this Zoning Code or the County Code, or costs incurred by the County for the abatement of a public nuisance.

18.154.130 – Monitoring Cost Recovery, Mitigation Measures/Conditions of Approval

- A. Purpose.** The purpose of this Section is to provide for the determination, imposition, and collection of administrative costs associated with the monitoring and enforcement of mitigation measures or conditions of approval imposed upon the granting of any permit or other entitlement authorized by this Zoning Code.

Authority.** The Director shall have the authority to determine, impose, and collect all administrative costs associated with the monitoring or enforcement of mitigation measures or conditions of approval imposed upon the granting of any permit or other entitlement authorized by this Zoning Code.
- C. Procedure.**
1. Each County agency which grants permits or entitlements under this Zoning Code and which impose or provide mitigation measures or conditions which require monitoring shall be responsible for monitoring their own conditions. Additionally, as a further condition of granting the permit or approving the entitlement, each agency shall specify that the monitoring shall be conducted and that all associated costs shall be borne by the property owner(s) or other person(s) obtaining the permit or entitlement and shall be paid in compliance with this Section.
 2. The Director shall, at the time of the granting of the permit or approval of the entitlement, submit to the Review Authority a reasonable estimate of the administrative cost of monitoring the mitigation measures or conditions.

The Review Authority shall, as a condition of approval, require the owner(s) or the other person(s) obtaining the permit or entitlement to deposit that amount on a one-time or annual basis.

3. If the deposit is required on an annual basis, it may be adjusted in subsequent years, by agreement of the Director and the owner(s) or by subsequent action by the Review Authority at the request of the Director or owner.
- D. **Enforcement Costs.** The Director shall have the authority to recover enforcement costs arising from the failure of any property owner(s) or person(s) in control to conform to or implement any mitigation measures or conditions of approval imposed by any Review Authority in compliance with this Zoning Code.
