PROJECT OVERVIEW

FACILITY TYPE:	DOES THE APPLICATION INVOLVE:
<input type="checkbox"/> NEW FACILITY	<input type="checkbox"/> Tower height exceeds 100 feet <input type="checkbox"/> Tower height does not exceed 100 feet

OR

<input type="checkbox"/> CO-LOCATION TO AN EXISTING FACILITY	<input type="checkbox"/> Increase existing tower height by more than 10 percent or 10 feet <input type="checkbox"/> Increase the height of the existing base station by more than 10 percent or 10 feet <input type="checkbox"/> Protrude from the edge of the existing base station by more than six feet
<input type="checkbox"/> MODIFICATION TO AN EXISTING FACILITY	<input type="checkbox"/> Additional equipment cabinets (four total cabinets allowed per facility, including additions) <input type="checkbox"/> Excavation or development of equipment outside of existing boundary <input type="checkbox"/> Alteration or expansion of exterior of the existing facility or base station <input type="checkbox"/> Alteration of the access, parking, or landscaping <input type="checkbox"/> Replacement of existing tower or foundation <input type="checkbox"/> None of the above (skip to Step 2)

PROJECT DESCRIPTION

Existing Tower Height (For Modifications & Co-locations): _____

Proposed Tower Height: _____

Describe proposed equipment in detail (ex. 8' x 8' cabinet, 4 RRU's, 500 gallon diesel tank for back-up generator, etc.):

Describe Access to Site (ex. proposed 20 foot driveway off Farm Ave, paved with concrete):

Describe proposed screening (ex. stealthed as a pine, screened with fence with slats):

Please provide feel free to provide any additional information, on s separate sheet of paper, that would be important to consider and provide a full picture of the proposal.

STAFF USE ONLY

Project #: _____ Applicant: _____

ADDITIONAL SUBMITTAL MATERIALS

<input type="checkbox"/> BOUNDARY MAP	<p>Detailed map with location and boundaries of the coverage areas, including:</p> <ul style="list-style-type: none"> ● Search ring analysis map for all the applicant's tower sites (existing, approved but not yet constructed, applications submitted but not yet approved, and potential future sites) ● Identification of all existing facilities within a four-mile radius of the proposed site, including those facilities' operators, tower heights, and attempts to co-locate ● Identification of all private airstrip, aerial crop spraying operation, or public airport within a four-mile radius of the proposed site
<input type="checkbox"/> SITE SPECIFIC MAP	<p>Detailed map of the proposed site coverage area, including:</p> <ul style="list-style-type: none"> ● All structures, roads, highways, canals, and residences ● All feasible tower locations within each coverage area
<input type="checkbox"/> GAP ANALYSIS	<p>Analysis of significant gaps in the service providers network and how the proposed facility would eliminate or substantially reduce the gap in coverage</p>
<input type="checkbox"/> TECHNOLOGY DESCRIPTION	<p>A brief explanation of the type of technology to be used and the types of services to be provided by the wireless telecommunication facility</p>
<input type="checkbox"/> HEALTH CERTIFICATION	<p>A copy of a certificate certifying that the facility complies with all applicable health requirements and standards pertaining to electromagnetic and/or radio frequency radiation.</p>
<input type="checkbox"/> CO-LOCATION DOCUMENTATION	<p>Copy of any land use easements or lease restrictions which would prohibit co-location or shared locations (next to an existing facility) by other service providers</p>
<input type="checkbox"/> ARCHITECTURAL PLANS	<p>Two (2) copies of architectural plans on 11" x 17" sheets (see Minimum Plan Requirements).</p>
<input type="checkbox"/> ADDITIONAL PLANS	<p>If not incorporated into site plan or architectural plan, the following materials are required:</p> <ul style="list-style-type: none"> ● Sign Plan ● Lighting Plan ● Colors & Materials ● Landscape / Screening Plan
