FREQUENTLY ASKED QUESTIONS
(CANDIDATES & COMMITTEES)

Q: Is a candidate who ran in a primary election required to file another Form 501 and open a separate bank account for the general (or run-off) election?

A: No, the Form 501 filed and bank account opened for the primary election cover both elections.

Q: Must an incumbent file a Form 501 if he or she is running for re-election to the same position?

A: Yes, the incumbent must file an initial Form 501. The Form 410 (Statement of Organization) must also be amended to indicate whether the incumbent is re-designating an existing bank account or establishing a new bank account.

Q: If a person buys a ticket to a campaign fundraiser, is the entire amount reported as a contribution?

A: Yes, typically the face value of the ticket is reported as a contribution. The benefit the attendee receives at the event (i.e. food, entertainment) is not subtracted from the amount of the ticket price.

Q: How are donated items for an auction or garage sale, as well as the proceeds of the sale, reported?

A: The fair market value of items donated for sale at an auction or garage sale must be reported as non-monetary contributions on Schedule C. Non-monetary contributions of $100 or more received during the calendar year must itemized.

If the person who purchases the item pays fair market value, the proceeds are not "contributions" because the purchaser has received full and adequate consideration for the payment. These amounts should be reported as "Miscellaneous Increases to Cash" on Schedule I. If the purchaser pays more than the fair market value, the amount over the fair market value is a contribution that must be reported on Schedule A.

Q: May a candidate be reimbursed for the use of a personal vehicle?

A: An officeholder, candidate, a member of his/her immediate family, the staff of a committee, or the staff of an elected officer's governmental agency may be reimbursed for use of a personal vehicle only if vehicle use directly relates to a political, legislative, or governmental purpose. The purpose and mileage must be documented in a manner approved by the Internal Revenue Service in connection with deductible mileage expenses. In addition, reimbursement cannot be made at a rate higher than allowed under Internal Revenue Code Section 162.

Q: If a candidate uses his/her personal telephone for campaign purposes, how should the telephone bills be paid?

A: Candidates that use personal telephones for campaign calls must pay the campaign portion of the bill with campaign funds. The other portion must be paid with personal funds.

Uniform Application for Vote by Mail Ballot

Election Code §§3306, 3307, 3007.5

It is recommended that any vote by mail ballot application intended for mass reproduction be approved by the County Clerk prior to its distribution to ensure compliance with current law.

1. Election Code §3007 requires that any individual, group, or organization distributing applications for vote by ballots must use the format for this application which has been approved by the Secretary of State. Election Code §§3006, 3007, 3007.5 & 18402

2. Election Code §3006 specifically permits preprinting only the voter’s name, residence address, date of birth, and the name and date of the election for which the application is being made.

3. The portion of the application which asks the address to which the voter wishes the absentee ballot to be mailed must, if different from the voter’s residence address, be completed by the voter. The mailing address may not be the address of any political party, candidate, or political campaign headquarters.

4. The application shall provide the voters with information concerning the process for establishing permanent absentee voter status. Election Code §3006

5. An application containing preprinted information must contain a conspicuously placed notice stating that: "You have the legal right to mail or deliver this application directly to the local elections official of the county where you reside."

6. Only the voter may sign the application.

7. If applications are distributed through the mail, they must not be forwarded.

8. Bar-coded affidavit or voter identification numbers on applications must meet approval of the County Clerk prior to distribution. To avoid possible problems, candidates and committees are advised to obtain voter information directly from the County Clerk.

9. Applications for vote by mail ballots must be made in writing and be received by the County Clerk no later than the 7th day before the election.

Candidates and committees may receive applications for absentee ballots. Applications must be submitted to the County Clerk **within 72 hours of receipt.** Candidates and committees may **not** collect, receive or handle voted mail-in ballots.

Applications for vote by mail ballots are available on the Merced County’s web site [www.merced-elections.org](http://www.merced-elections.org)
DEFINITION OF “MASS MAILING”

“Mass Mailing” means over two hundred substantially similar pieces of mail, but does not include a form letter or other mail which is sent in response to an unsolicited request, letter or other inquiry. (Gov. Code §820410.5)

MASS MAILING

The sender of a mass mailing is the candidate or committee who pays for the largest portion of the mailing. The sender must be identified by name, address, and city on the outside of the mailing and on at least on insert. If the sender of the mass mailing is a single officeholder, candidate, or committee, the identification need only be shown on the outside of each piece of mail. If the sender is a controlled committee, the name of the person controlling the committee must also be included. A committee may use a post office box if its street address is a matter of record with the Secretary of State. It is not necessary to include the committee’s identification number or the name of a committee treasurer or printer on the mailing.

Type size must be at least six points, printed in a color or typeface that contrasts with the background.

If two or more officeholders, candidates, or committees pay an equal share of the costs of the mailing, at least one of them must be identified on the outside of the mailing and all of them must be identified on the inside.

In the case of a mass mailing paid for by one officeholder, candidate or committee on behalf of another candidate or committee (i.e. mass mailings that are in-kind contributions), the office holder, candidate or committee that pays for the mailing must be identified as the sender of the mailing. For each mass mailing sent by or on behalf of the committee, the following records must be retained:

- The date of the mailing
- The number of pieces mailed
- The method of postage used

An original sample of each mass mailing must also be retained.

IDENTIFICATION OF SENDERS OF A “SLATE MAILER”

A “slate mailer” is a mass mailing (more than 200 substantially similar pieces of mail sent in a calendar month) which supports or opposes a total of four or more candidates or ballot measures. Identification may be made either in the manner provided for mass mailings with more than one sender, or by identifying the person who is responsible for the mailing on the outside, and by indicating all candidates and committees who have paid for the mailing on the inside, whether by an asterisk or by listing their names.
NEWSPAPER ADVERTISING

Paid Political Requirements – Any paid political advertisement which refers to an election or candidate for state or local office and which is contained in or distributed with a newspaper must say “Paid Political Advertisement” in type at least one half the size type in the advertisement or 10 point roman type, whichever is larger. Such words shall be set apart from any other printed matter.

As used in this section “Paid Political Advertisement” shall mean and shall be limited to published statements paid for by advertisers for purpose of supporting or defeating any person who has filed for an elective state or local office.

2) No such simulated ballot or simulated sample ballot shall bear any official seal or insignia of any public entity, nor shall any such seal or insignia appear upon the envelope in which it is mailed or otherwise delivered.

3) The Superior Court, in any case brought before it by any registered voter, may issue a temporary or permanent restraining order or injunction against the publication, printing, circulation, posting, or distribution of any matter in violation of this section, and all cases of this nature shall be in a preferred position for purpose of trial and appeal, so as to assure the speedy disposition thereof. (EC §§20009, 18301)
OUTDOOR ADVERTISING: POLITICAL SIGNS
(INCLUDING PLACARDS AND POSTERS)

Outdoor Temporary Political Signs
Nothing in this chapter, including, but not limited to, § 5405, shall prohibit the placing of temporary political signs, unless a federal agency determines that such placement would violate federal regulations. However, no such sign shall be placed within the right-of-way of any highway or within 660 feet of the edge of and visible from the right-of-way of a landscaped freeway.
